

Project Workload Distribution Form

Project 04

To complete this form, divide the total points allotted to each item between the two partners (in increments of 0.25pts). If you split each item exactly in half, both partners will end up with 10/10 points.

For Project 04:

	Partner 1	Partner 2
Introduction (1pt)	_____	_____
Circuit diagram (1pt)	_____	_____
Demonstration, Step 1		
Master's high-level Flowchart (1pt)	_____	_____
In-circuit programming (0.5pt)	_____	_____
Master/Slave communication ability (6pts) (including the ability to send data to correct 2310)	_____	_____
Keypad functionality/unlock code (0.5pt)	_____	_____
Demonstration, Step 2		
LCD Slave Flowchart (1pt)	_____	_____
LCD initialization (2pts)	_____	_____
LCD basic display (2pts)	_____	_____
LCD line 1 wrapping (no clearing) (1pt)	_____	_____
LCD line 2 wrapping and clearing (2pt)	_____	_____
Demonstration, Step 3		
LED Slave Flowchart (0.5 pt)	_____	_____
LED pattern A implementation (0.5pt)	_____	_____
LED pattern B implementation (0.5pt)	_____	_____
LED pattern C implementation (0.5pt)	_____	_____
