

# Project Workload Distribution Form

## Project 04

To complete this form, divide the total points allotted to each item between the two partners (in increments of 0.25pts). If you split each item exactly in half, both partners will end up with 10/10 points.

For Project 04:	<u>Lance Gonzalez</u>	<u>Grant Kirkland</u>
	Partner 1	Partner 2
Introduction (1pt)	<u>100%</u>	<u>0%</u>
Circuit diagram (1pt)	<u>100%</u>	<u>0%</u>
Demonstration, Step 1
